

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF)	
MOUNTAIN WATER DISTRICT)	CASE NO.
PURSUANT TO 807 KAR 5:071,)	2018-00147
SECTION 7(4) FOR APPROVAL OF)	
PROPOSED INSPECTION PROCEDURES)	

ORDER

On August 8, 2018, Mountain Water District (Mountain District) filed an application with the Commission requesting an alternative inspection schedule for its grinder pump stations pursuant to 807 KAR 5:071, Section 7(4).

On May 7, 2019, in Case No. 2019-00069, the Commission issued an order designed to provide guidance to sewer utilities regarding deviation from the daily inspection schedule mandated for all mechanical equipment, including grinder pump stations, in 807 KAR 5:071 Section 7(4).¹ In this Order, the Commission granted all sewer utilities a deviation from the daily inspection requirements in 807 KAR 5:071 Section 7(4) for grinder pump stations located on or near the customer's property. The Commission also authorized an alternative inspection schedule for such grinder pumps of once every five years.

Having reviewed the record and being otherwise advised, the Commission finds that Mountain District's motion for an alternative inspection schedule should be denied as

¹ Case No. 2019-00069, *Notification to Sewer Utilities Regarding Deviation Requests Pursuant to 807 KAR 5:071 Section 7(4) Concerning the Inspection Schedule of Mechanical Grinder Pump Stations* (Ky. PSC May 7, 2019).

moot because the Commission has already addressed the matter in Case No. 2019-00069.

IT IS THEREFORE ORDERED that:

1. Mountain District's application for a deviation is denied as moot.
2. This case is closed and removed from the Commission's docket.
